## **Welcome to the CNS *Neuro*WIKI, a part of the CNS University of Neurosurgery!**

**Thank you for coming!** *Neuro*WIKI is an extension of the CNS University of Neurosurgery. We invite you to publish your review articles, clinical notes, pearls, and medical images on the site. With *Neuro*WIKI, any member of the CNS can contribute or edit articles. *Neuro*WIKI is written collaboratively by many of its reader, constantly improving *Neuro*WIKI, and all changes are recorded on the [Recent Changes](#) page.

### **Explore**

- Explore our **Editorial Policy**
- Any CNS member can explore *Neuro*WIKI - just for browsing, for enriching your board review or for finding a quick to a specific subject.
- ... but in order to more fully participate, you'll need to [create a username](#). You can choose not to login, but if you enter any information into the CNS Wiki, only your IP address of your computer will be used as your log in name.
